

**Лицевая
сторона**

 **Линия реза
(210x90 мм)**

 **Линия
безопасности
(204x84 мм)**

The diagram shows a document layout with two lines: a red line representing the safety line and a blue line representing the cut line. The red line is a rounded rectangle with a width of 204 mm and a height of 84 mm. The blue line is a larger rounded rectangle with a width of 210 mm and a height of 90 mm. The red line is nested inside the blue line, with a consistent margin between them. The text 'Оборотная сторона' is centered between the two lines. Below the text, there are two legend items: a blue square followed by 'Линия реза (210x90 мм)' and a red square followed by 'Линия безопасности (204x84 мм)'.

Оборотная сторона

 **Линия реза**
(210x90 мм)

 **Линия**
безопасности
(204x84 мм)
